OUR VISION

To develop and implement a curriculum based on global needs and to make learning an enjoyable and exciting experience.

OUR MISSION

All-round development of students by providing quality education that can empower students to become confident, competent and responsible global citizens, who value education as a lifelong process.

तमसो मा ज्योतिर्गमय
Lead me from the darkness of
ignorance to the light of
knowledge.

SCHOOL EMBLEM: OUR IDEOLOGY

The open book in the emblem symbolizes an open mind to adapt to newer ideas. The seven blue stars represent the seven continents, signifying the spread of universal education.

The olive branches stand for peace, prosperity and global partnership through education. The five red stars symbolize the need to keep the five organs of perception open and wide awake.

The Visionary

Who started it all

“Ethics guide our journey; high standards define our path.”

It is a matter of pride to witness the steady growth of Him Academy Public School since its founding in 1998. Over the years, it has emerged as a centre of academic and co-curricular excellence, strengthened by a dedicated team and meaningful global partnerships. Guided by the ideals of our emblem, we believe education dispels ignorance, builds character, and prepares students for purposeful leadership. We remain committed to nurturing young minds with strong values, a global outlook, and holistic development.

- ➔ Eminent Physics scholar from BITS Pilani, former undergraduate faculty member, and author of 14 books with over five decades of contribution to school education.
- ➔ Sought voluntary retirement in 1993 to establish Him Academy.
- ➔ Leads the institution's academic direction, promoting innovative pedagogy and holistic student development.
- ➔ Recipient of the TCS–Education World Best Teacher Award (North Zone) for leadership and educational excellence.
- ➔ Felicitated by Baba Ramdev for 57 years of dedicated and transformative service to education.
- ➔ Honoured at the 'Joy of Physics' Conclave by NIT Hamirpur and IAPT in the presence of Prof. H. C. Verma and Prof. P. K. Ahluwalia.
- ➔ Awarded a Commemorative Postal Cover by the Hamirpur Postal Department for 27 years of educational excellence.

Prof. R.C. Lakhanpal
Chairman

The **Beacon** of Inspiration

“Commitment to Quality: Where every effort counts more than its origin.”

I commend the HAPS family—teachers, students, and parents—for a consistent journey of excellence since 1998, where each milestone reflects our collective commitment to quality education and the dedication of those who advance the school’s mission. Our strong academic culture and expanding global engagement continue to nurture students’ values, confidence, creativity, and purpose within a safe and enriching environment that supports their holistic growth.

- ➔ M.A., B.Ed., and a distinguished educationist with decades of experience.
- ➔ Served in the Himachal Pradesh Education Department from 1975–1999.
- ➔ Took voluntary retirement to lead HAPS as Principal.
- ➔ Brought academic depth and strong administrative leadership to the institution.
- ➔ Known for firm discipline and effective administration.
- ➔ Continues to guide the school’s academic direction and value-based culture.
- ➔ Strengthens the school’s focus on holistic student development.
- ➔ Recipient of the Computer Literacy Excellence Award in 2003, presented by Dr. A.P.J. Abdul Kalam, the then President of India.
- ➔ Received the prestigious British Council International School Award.

Mrs. C.P. Lakhanpal

Play Way Learning in Bal Vatika

“Play is nature’s own method of educating children”

In Bal Vatika wing HAPS follows:

- Play way method to make learning a fun filled activity.
- Over all development of the child by developing feelings, intellect and skills.
- Exposure to high frequency letters first then to letters in alphabetical orders.
- Ready to read phonic programme.

Turning Classrooms Into Learning Destinations

A space to dream, learn and grow.

- Well furnished science laboratories for Physics, Chemistry, Biology and Information Technology.
- Digital Smart Classrooms
- Music and Dance Room
- Library
- Robotics Lab

TEACHING PEDAGOGY

A path towards a bright future

- ➔ Interactive and learner-centered teaching methods
- ➔ Question-Bank driven Pedagogy
- ➔ Educating students on: *What to learn and how to learn*
- ➔ Emphasis on communication skills.
- ➔ Teaching Languages through “Immersion Technique”.
- ➔ Languages taught as an effective tool of communication.
- ➔ Student Empowerment through Values in Action (SEVA)
- ➔ Educating learners on what to learn and how to learn
- ➔ Use of mind maps for better conceptual clarity

“The purpose of education is to make good human beings with skill and expertise... Enlightened human beings can be created by teachers.”

-A.P.J. Abdul Kalam

Teaching is an art that surpasses the delivery of knowledge, shaping minds and inspiring transformation. Learning is a journey beyond factual acquisition, leading to wisdom and profound understanding.

Class-Bands

To achieve its mission, the school is divided into 6 class-bands.

Band	Classes
Bal Vatika	Bal Vatika-1, 2 & 3
Lower Primary	1st & 2nd
Upper Primary	3rd, 4th & 5th
Elementary	6th, 7th & 8th
Secondary	9th & 10th
Senior Secondary	11th & 12th

Co-curricular Activities

Learning beyond the walls of a classroom

Co-curricular activities are organised to hone the talents of young minds and provide learning experiences that mirror the academic curriculum. These activities facilitate the development of various domains of personality such as intellectual, emotional, social, moral and aesthetic development.

HARNESSING THE POTENTIAL OF STUDENTS

Synchronized integrated coaching

School follows students centric synchronized integrated coaching to provide best of learning opportunities to students within school hours. The customized programme of school caters dual objectives of Excellence in Board exams and cracking competitive exams like JEE/NEET/NDA/AIIMS/Olympiads/ NTSE etc. The Holistic programme prepares students for future challenges without taxing them with extra burden. School follows various techniques like target setting, formative assessment, diagnostic testing, advanced level worksheets, illustrations, Remedial classes etc. to maximize learning outcomes. Regular online mock tests are also conducted to give students useful practice in time management.

Experienced Faculty

Weekly Tests for Formative Assessment

Online mock test

Career Counselling

It provides a foundation for students to understand their interests, abilities and challenges ahead of them. School counselling helps them to develop their personal learning plan integrated with their career pathway. It also helps them to link their academic strengths with various future prospects.

One to One Counselling

Group Session

Nurturing Home understanding the needs

HAPS hostels are fully equipped with all the amenities. The infrastructure is designed in such a way that it takes care of all the aspects of boarding environment.

HAPS boarding school gives children a very special experience. The daily routine and the communal living they experience at an early age help them learn self discipline and self reliance.
